A. INTRODUCTION

Throughout this Amendment these entities are referred to as follows:

City of Brevig Mission	=	City
Norton Sound Health Corporation	=	NSHC
Alaska Native Tribal Health Consortium	=	ANTHC
Cooperative Project Agreement	=	CPA
Denali Commission	=	Commission

On April 17, 2006, ANTHC and Norton Sound Health Corporation executed a CPA authorized by the Denali Commission to perform the design and the construction planning for a new health clinic in Brevig Mission, Alaska. No construction was performed under this project phase. The project was funded with \$99,345, via Denali Commission Financial Assistance Award No. 0146-DC-2004-I29, Addendum E, dated February 2006.

On April 27, 2007, ANTHC, Norton Sound Health Corporation and the City of Brevig Mission executed an Amendment No. 1 to add \$50,000 of City funds, which were provided via City of Brevig Mission 2006 Norton Sound Economic Development Corporation Community Benefit Shares.

The Amendment also changed project administration to the following:

Design management shall be accomplished by ANTHC or its contractor. ANTHC shall take responsibility for all project oversight, technical assistance, and management of the design process. It is anticipated that ANTHC will use one of its indefinite quantity architect and engineering contractors to complete site adaptation of the NSHC prototype design for the provision of a primary care facility in Brevig Mission, Alaska.

B. REVISION OF PROJECT FUNDING

This Amendment adds \$237,120, via Denali Commission Financial Assistance Award No. 185-05, Amendment No. 5, dated May 2007.

Project funding therefore totals \$386,465.

MEMORANDUM

DATE: May 23, 2007

FROM: Environmental Coordinator, Division of Environmental Health and Engineering

SUBJECT: Brevig Mission – Environmental Review due to Financial Revisions
Project No. AN 05-GD3, Amendment No. 2

TO: FOR THE RECORD

Federal funding for this project requires an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA). The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in March 2006 with respect to the construction of a health clinic in Brevig Mission, Alaska. This memo reflects funding revisions to the project and does not change the scope or impacts reviewed in the original document. No additional environmental review is necessary at this time.

The ANTHC will revisit past environmental reviews to determine if potential environmental concerns have been addressed if the scope of work is modified.
